

Canine Adoption Application

Thank you for your interest in adopting a puppy/dog from Peace Ridge Sanctuary. We are happy that you have chosen to help us rescue pups who have absolutely no other chance to survive the shelter system. We want to take the time to let you know that we are very careful who we place pups with- not because we are difficult people, but because these pups, like any, deserve the chance to have happy, healthy lives with families/individuals who understand how to *raise a puppy/dog properly*- and will never discard them again. In the contract that you will be asked to sign once approved, you will see that we are very specific about quality of care, and we also insist that if you are no longer able to keep the dog, you must return him or her promptly to us here at Peace Ridge Sanctuary. We DO NOT want our animals to ever end up at a shelter ever again. If you are a family who will take serious consideration for the well-being of a dog each and every day, please proceed with this basic application.

Adoption fee is \$185.00. This covers only part of the medical costs involved in our rescuing efforts.
